Terry Walker Announces Candidacy for LCF City Council

Long-time La Cañada Flintridge resident, businesswoman and community volunteer, Terry Walker, has announced her intention to run for one of the open seats on the La Cañada Flintridge City Council during the upcoming March 3, 2015 election.

“After 33 years as a resident and being involved in so many aspects of civic life in La Cañada Flintridge, I know I have much more to offer my community and believe I can make a positive difference in our city,” says Walker of her candidacy.

Walker is currently Chair of the La Cañada Flintridge Planning Commission and has previously served the City as the Chair and member of the Public Works Commission, as well as sitting on a variety of City task forces and subcommittees including Solid Waste, Green Space and Parking.

Her volunteer endeavors also extend to local service organizations including her current tenure as Vice-Chair of the YMCA of the Foothills Board of Directors and the only 3 term President of the La Cañada Flintridge Chamber of Commerce – with the notable accomplishments of hiring long-time Chamber CEO Pat Anderson and bringing the Farmer’s Market to La Cañada. Terry was the LCF Chamber’s 2008 La Cañada Businesswoman of the Year and the Kiwanis Club’s 2011 La Cañadan of the Year.

As a local business owner (she co-owns the La Cañada Pet Clinic with her husband, Dr. Woody Walker) and former long-time Administrative Vice President of local Allen Lund Company, Terry is actively involved in promoting local business through the Chamber’s Business Support and Development Committee.

Terry and Woody’s sons, Weston and Wade, are La Cañada High School graduates. As the boys were growing up, Terry was very involved in LCHS Choral and Music Parents Associations as well as Boy Scout Troop 507. Walker also served the La Cañada Unified School District on the 2004-09 Bond Oversight Committee and is a long-time member of the Flintridge La Cañada

Guild of Huntington Hospital. “I am so pleased to formally begin my candidacy by naming Laura Olhasso, Steve Del Guercio and Pat Anderson as the Honorary Co-Chairs of my campaign committee,” announced Walker.

According to past Mayor and current La Cañada Flintridge City Council member, Laura Olhasso, “I can’t think of a more qualified individual to help guide our city. Because of her past involvement, on all levels, Terry has invaluable insight into the issues and an authentic knowledge of this community and its residents.”
